Business Transacted:

1. The Staff Council deliberated on the viable options for organizing SEP for the B.Ed. II year students during the academic session 2020 - 2021 in view of the status of non-resumption of face-to-face teaching/learning in schools and colleges on account of the Govt. guidelines with regard to the Covid-19 situation in the country. The following was decided:-
  - (a) The SEP programme during the academic year 2020 - 2021 shall be organized partly in online and partly in face-to-face mode as per the prevailing circumstances and as per the availability of schools. It shall be started at the earliest.
  - (b) As part of SEP preparations, and since the beginning of the academic session, a concerted effort has already been made by the College by dedicating four regular pedagogy sessions per week for each of the pedagogy groups in the routine time-table of B.Ed. second year students where pedagogy teachers have been preparing students for both the online and face-to-face mode of teaching in terms of

lesson/unit planning as also in terms of its transaction. It was decided that this exercise shall be considered a part of the orientation/preparation/transaction part of the SEP programme for all practical purposes.

- (c) In continuation of the above, it was decided that the SEP Committee shall organize a two-day online orientation programme preferably in the workshop mode wherein the focus shall be both on the online and face-to-face mode of preparation/transaction/evaluation dimensions etc. of the SEP programme.
- (d) It was decided that the College shall approach the private/aided/other schools in Delhi (besides the government schools) for the organization and conduct of the SEP in both the online and face-to-face modes. The possible precautions shall be taken to avoid changes in allocation of schools while moving from the online to face-to-face mode during the process.
- (e) The SEP Committee's work in this direction (as presented by it) was taken on record.
- (f) It was decided that the staff council shall meet once again on this issue to discuss any further issues/dimensions as may be needed before the SEP programme is formally declared as launched.

The meeting concluded with a vote of thanks to the Chair.
